

EVOLUTION DISCUSSION

STUDENT A's QUESTIONS (Do not show these to student B)

- 1) What springs to mind when you hear the word 'evolution'?
- 2) Do you believe the story of evolution as told in religious books?
- 3) How do you think the world got here?
- 4) How do you think we got here?
- 5) What do you think we will look like millions of years from now?
- 6) Why have we evolved into different looks and colours?
- 7) How was the very first life form created and what did it do/look like?
- 8) Why is Darwin's Theory of Evolution discarded by so many religions?
- 9) Many schools in the USA teach creationism – the idea that God put humans on Earth as we are today. What do you think of this?
- 10) Do you think God created everything as it is outlined in the book of Genesis?
